**FREE repairs to pretty much anything you can carry...  
Bring it in and we'll see if we can help you fix it!**

**What can I bring?** Anything you can comfortably carry (no fridges, anvils or sofas!) from curtains to laptops - our volunteers will see if they can help with pretty much anything! **What does it cost?** The Repair Café is FREE, but we'll accept donations of cash, tools or materials! **Who can bring stuff?** Anyone... but we particularly encourage those without access to tools, or those who lack the confidence or skills to do their own repairs. **Learn new skills!** Our team will help you to fix your stuff, and hopefully teach you a few new skills as well! We'll even see if we can fix or advise on common laptop / techie problems. **Who are you?** We're a local campaign to set up a permanent community workshop space for arts, crafts, learning and fun! **Interested?** Pop in and have a cup of tea and a chat! We want YOU to get involved!
